These Condos Come with a 7-Acre Lagoon, Private Island Beach & Biking Trails

Taking waterfront living to the next level, **ONE Park Tower by Turnberry** offers owners access to a 7-acre, crystal-clear swimmable lagoon the equivalent of 21 Olympic-sized pools. The first-of-its-kind in South Florida, the lagoon has a private island and its own beach with sandy shores where residents can lounge on beach chairs and a dedicated Beach Concierge can arrange stand-up paddleboards or kayaks, plus dining from The Lagoon Café.

Thoughtfully designed to offer resort-style, luxury living, ONE Park Tower by Turnberry is envisioned by award-winning architecture

firm [Arquitectonica](#) with interior design by globally recognized [Meyer Davis](#), and curated gardens by acclaimed landscape architect [Enzo Enea](#). Consisting of spacious one-, two-, and three-bedroom units, plus a collection of penthouses, floorplans feature dens and large powder rooms – and are designed to fit a range of lifestyles, with connectivity to the outdoors and panoramic views of the Crystal Lagoon, Oleta River State Park, Biscayne Bay, the Atlantic Ocean, and the Miami city skyline.

Additional resort-style amenities include a private swimming pool, pickleball and paddle ball courts, a state-of-the-art wellness center which includes fitness, spa and massage facilities, co-working facilities, a library, private event rooms, a climate-controlled wine room, a dedicated children's playroom, 37 acres of active and passive green space including eight miles of biking and running trails. A gated entry, 24-hour security and secured garage parking with electric charging stations complete the offering.
