Multilevel penthouse offers luxury at every angle

By Jordan Guinn
SENTINEL MEDIA SERVICES

Take in views of the Atlantic Ocean and Miami's skyline at this extravagant penthouse duplex spread across multiple floors of a luxury tower.

Penthouse 3201, a five-bedroom, six-and-a-half-bathroom oasis of modern luxury, deftly blends contemporary sophistication with timeless design. The penthouse includes a private library, as well as a plunge pool, and its expansive terrace frames unforgettable vistas of the sea and city.

Meyer Davis Studios designed the striking interior defined by high-end finishes and elegant light fixtures.

The upscale listing rests within ONE Park Tower by Turnberry, a luxury high-rise situated in the 184-acre private SoLé Mia community. This particular penthouse is part of a limited release of serene retreats within the upscale community.

Floor-to-ceiling windows welcome natural light into the penthouse, while Italian porcelain flooring lines the
